United Way Community Schools Update January 2025

426 STUDENTS

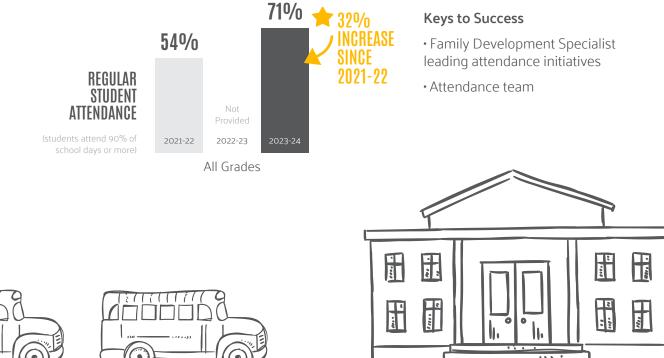

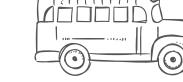

Kindergarten

STUDENT MENTAL HEALTH

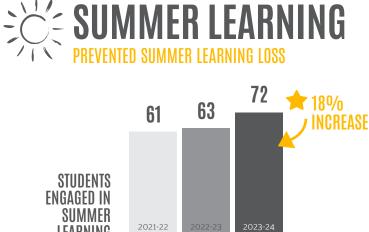

SOCIAL-EMOTIONAL LEARNING ACTIVITIES IMPROVE SCHOOL CLIMATE AND CULTURE

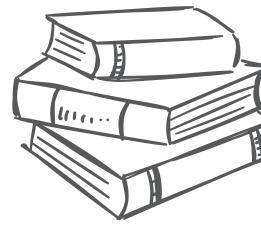

100% of students identified through the Student Assistance Program as needing behavioral health supports were connected to services through mental health programs, mentoring and support groups.

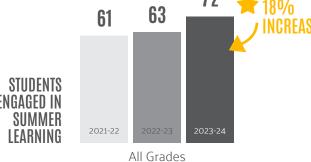

- 11 students connected to mentoring
- 166 students connected to support groups
- 92 students connected to individual mental health programs

Community School Strategies

- Trauma-informed schools approach
- Restorative practices
- Positive Behavior Interventions and Supports (PBIS) program
- School climate survey
- Peace corners in all classrooms
- On-site, school-based mental health supports
- · Emphasis on staff wellness and teacher self-care
- Commitment to promoting student voice

In addition to academic instruction, each grade level has a community partner providing enrichment opportunities such as science, art, dance, storytelling or gardening.

FAMILY ENGAGEMENT SUSTAINED FAMILY ENGAGEMENT OF OVER 60% THREE YEARS IN A ROW

60% of parents/caregivers participated in teacher conferences three years in a row.

Keys to Success

- Family Needs Assessment
- Monthly family engagement
- Parent workshops

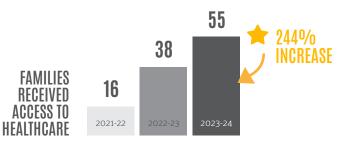

Elementary School

FAMILY STABILITY INCREASED CONNECTIONS TO FOOD, HOUSING AND FINANCIAL SUPPORTS

80 FAMILIES improved food security through the school's food pantry as well as through Hispanic Center, Moravian

Ministry, New Bethany and Panera Bread.

14 FAMILIES improved housing security through connections to housing and financial support.

All Grades
